

Grow For It 2022

3 easy steps to rewards

1. **Protect** your clients
2. **Grow** your business
3. Get **rewarded**¹

By helping more Canadians get the protection they need, not only will you grow your business, you'll also **be rewarded** with an iPad Air.²

The iPad Air does more than a computer in simpler, more streamlined ways. And now with additional features and capabilities, it's more versatile than ever to support your business.

How it works

You'll be rewarded with an iPad Air when you:

- Settle 10 or more life or living benefits policies in 2022 or
- Sell 5 or more health and dental policies with an effective date in 2022¹

Every advisor across Canada who is contracted to sell Manulife Insurance is eligible.³

Policies settled between January 1 and December 31, 2022, are eligible.

¹ An iPad Air Wi-Fi will be awarded when the policy count requirements are met and policies have been settled. Policy count requirements are separated by "Life and Living Benefits" and "Health & Dental." The two policy count requirements may not be combined to receive an iPad. However, if an advisor achieves both policy count requirements, they will receive two iPads.

² iPad Air Wi-Fi – 4th generation – 64GB – 109". Subject to availability. Delivery times subject to change. The taxable benefit of the iPad will be the responsibility of the individual advisors to claim on their annual taxes. The cost of data and/or internet usage is the responsibility of the awarded advisor and is not included. Apple is not a participant in or sponsor of this promotion. iPad is a registered trademark of Apple Inc. All rights reserved.

³ Participation and terms may vary by firm. Advisors must be in good standing at the time policy count requirements are met and policies have settled to qualify for this program.

*Customers should continue to receive recommendations based on their needs from advisors, accounting for the customers' disclosed circumstances.
